[Learn more](#)

Belém is a mandatory stop for those who want to know a little more about the history of the Discoveries, it is worth getting lost in this incredible place. This tour will show you the most famous monuments of this area in honour of our navigators, which are part of the World Heritage. We leave the Belém River Station on our E-Bikes and cycle along the river to the Monument to the Discoveries followed by the Belém Tower, we begin our return through the gardens to the Jerónimos Monastery, we end this adventure with a moment of relaxation in our lounge by the river, where you can taste the famous pastel de Belém accompanied by a welcome drink while enjoying our quiet space and the magnificent environment that surrounds it.
