Get ready to explore new places! Our E-Bikes provide an unforgettable ride to one of the best and biggest beaches in Lisbon, a unique and unforgettable experience. We have prepared a tour of approximately 3 hours, which guarantees a quiet Ferry Boat trip to Trafaria followed by a pleasant journey on our E-Bikes along the coast always by the sea passing through Cova do Vapor a fishing village, our first stop to enjoy here a small tasting, a Berlin ball and a refreshing drink Cai-Bem ... delight! Then we continue to the famous beaches of Costa da Caparica where you can relax and admire our beautiful ocean with its amazing view, our final destination. We return to Belém, but with a desire to return!
